

Dear <Prospective Patriot Donor>,

There are more than 33,000 homeless veterans in the United States, exacerbating the even greater crisis of 40+ veteran suicides each day due to a loss of hope. A primary driver of hopelessness is the lack of permanent housing. We find this unacceptable and offer a new solution: *Permanent home ownership opportunities for veterans in uniquely designed communities.*

Enter [Mighty Hero Homes](#). The Mighty Hero Home Foundation will construct over 450 “Bases” across America, permanently housing 84 veterans in each planned, secure and supportive community. Veterans will come to our Bases through various means including temporary and transitional housing organizations, the VA or through the many veteran assistance organizations with whom we partner and/or will serve. [Each Base](#) will provide an array of amenities and wraparound services including a Health Services Center, a Training & Career Center, a Commissary, Commercial Gardens, a K-9 Training facility, Veterans Park with “Flag Hill”, and more.

As an Ambassador for Mighty Hero Homes, I am personally inviting you to be a part of the “**Operation Because They Deserve Better**” campaign by joining me in making a one-time donation of \$100.00.

Our goal is to recruit 1,000,000 American “Patriot Donors” across the nation, thereby establishing the mechanism to quickly build these unique communities in locations where they are needed most. My responsibility is to recruit 10 “Patriot Donors.”

The name of each Patriot Donor (first name and last initial) will be exhibited on the interior walls of the Community Center on each Base (an average of 2,222 names per Base, as illustrated below), exhibiting to the Base residents that 1,000,000 Americans did not forget them, are grateful for their service and have provided personal resources for them to be there.

Mighty Hero Homes

Because They Deserve Better

A Donor Wall in the halls of the Mighty Hero Homes Base Community Center

Mighty Hero Homes will ensure our Heroes receive all the benefits they have earned and deserve from the US Government once they become a Base resident, we are asking you to help them now so that we are not limited or slowed down by bureaucratic red tape and NGO procedures, requirements, and regulations. Our veterans worked for Uncle Sam, but they served you and me. The government is not the solution, but I believe “We The People,” are.

To make a donation, simply scan the QR code or click the link to the Mighty Hero Home secure giving site and include **Ambassador #** in the donor notes section: <https://mightyherohomes.app.neoncrm.com/forms/donatenow>

If you are led to give more, please provide a name associated with each \$100 increment of your gift as we want the names of each family member, colleague, employee, etc. listed on the walls of our Base Community Centers.

Checks, especially for larger or combined gifts, can be made payable to Mighty Hero Home Foundation, Inc. and sent to:
